

Cayman - 1989-2002
Handler: Matt Claussen
FEMA Type I

Cayman certified with FRRD as a wilderness search dog in 1991. Cayman also was trained in disaster search and certified in 1994 as a FEMA Type II dog, then passed the Type I certification in 1995 and again in 1997. Cayman was also a Ranger Service Dog with the City of Boulder Mountain Parks.

Matt and Cayman went to the Atlantic Olympics in 1996 with AZTF-1.

Cayman's years of service will be remembered and cherished by all those who knew him. His mentorship of Matt and others around him will be his continuing legacy.
