2015 Disaster HRD Canine Training Workshop

Come and train at an exciting new facility located on the scenic
Central California Coast!

This two-day workshop will consist of 100% field-work in a positive and supportive environment in various scenarios. The team will have the opportunity to train on a wide variety of source material including large, fresh aides.

While this is not an Instructor-led workshop, each group will have an experienced HRD Group Leader.

- ▶ Intermediate to advanced HRD canine teams only
- ▶ Audit spots available (without K9)
- ▶ Disaster, building and wilderness scenarios
- ▶ Lifting/Lowering exercises
- ▶ State-of-the-art training facility for disaster and emergency response
