

Quest Diagnostics Veterinary Services is proud to work with **Pet Health Systems** to provide laboratory diagnostic services and a **Pet Wellness Report™** for the Federal Urban Search & Rescue - Certified Disaster Canines (FUSR CDC).

Program Information:

1. The certified Dog and Handler noted below currently use your veterinary services and would like your support in this program.
2. The level of involvement and any fees for services are between you and the Owner/Handler.
3. There are no fees to the Veterinarian or clinic to participate in this program.
4. After faxed receipt of this completed form, Norm Cease, Sheri Schappell, or Pat Rush will be contacting you to provide the collection and shipping materials you will need for this program and to answer any questions you may have.

What you need to do:

In the box below, please provide your information (your practice stamp may also be used)

Practice Name: Address: Telephone Number: Point of Contact:
--

Submitted by:
 Handler: _____
 Dog: _____
 Division: _____

Fax this completed form to Quest Diagnostics Veterinary Services at 215-957-9890.

Thank you for your support and participation.
