The purpose of this General Memorandum is to provide a current copy of the US&R System Activity Calendar, covering January 2012 – September 2013. This calendar includes events scheduled by the US&R Branch, in coordination with the US&R Strategic Group.

Because of the vast number of equivalency courses and other events acknowledged by the US&R Branch, this is not meant to be an all-inclusive calendar. Please refer to the Homeland Security Information Network (HSIN) for a comprehensive calendar of all known training events.

Updated versions of this US&R Branch Activity Calendar will be issued periodically when necessary.

If you require access to HSIN to view the calendars, please contact your Task Force Representative to request permission.
