SUBJECT: US&R GM 2011-004 – 2011 Draft FEMA US&R Activity Calendar (version 1)

A draft (version 1) of the 2011 FEMA US&R Activity Calendar is attached. This calendar reflects all events, both current and projected from January 2011 through April 2012. While the issuance of the FY2011 cooperative agreement is uncertain, this calendar will remain in draft and will be updated and distributed as changes occur. The 16 month calendar is designed to assist you as you plan and budget your cooperative agreement funds appropriately.

A training calendar reflecting training opportunities, either hosted by a US&R Task Force or other entity will be distributed separately.

A copy of this calendar has been uploaded to HSIN. Questions regarding the 2011 Activity Calendar may be directed to Cathie Deel at (202) 646-3796; Catherine.Deel@dhs.gov
