

**W.T. Poison Ivey, German Shepherd Dog
Handler: Nancy Hachmeister, UT TF1
FEMA Certified Type II in 1997**

Ivey had the most phenomenal work ethic, very focused and never distracted by anything. She was certified with Rocky Mountain Rescue Dogs in wilderness, tracking, avalanche, water, cadaver and evidence search. She certified FEMA Type II in 1997.

Ivey searched the aftermath of the Salt Lake Tornado of 1998, the Wenden, AZ flood of 2000, and deployed with Utah Task Force 1 to the WTC. Overall she participated on 62 searches and had 8 finds and 2 assists not including all of the bodies and pieces she located at the WTC.

Ivey lost her battle with cancer on April 19, 2005. I miss you baby.
