**Handler: Pat Brown, NE TF1, MO TF1**

**FEMA Certified Type 2, Certified in Denver 1996**

Lickety, was also certified in wilderness, cadaver, water and article. She was active with Lincoln, NE and Missouri Task Forces. She loved to travel, except the bus ride to Hurricane Opal, with Nebraska's task force, was a little long for all of us. Lickety loved her jobs and she is still missed and Loved!
